

RNA Mini Spin Column

Cat# NB-03-0193 (1000 units)

Technology	Silica-membrane technology
Format	Mini spin columns
RNA size	50-100mg
A _{260/280}	1.80-1.95
Binding capacity	40 µg

Features

- High binding capacity

Applications

- Extraction of RNA samples

For reference only

For Research Use Only. Not for Diagnostic or Therapeutic Use
